One-to-One Teaching Policy

Provided it is deemed appropriate for a child, one-to-one teaching will be provided. Timetabling for one-to-one teaching will be drawn up by the Special Education Teacher (SET) in conjunction with the class teacher.

When one to one teaching takes place, the classroom door will be generally closed to provide for a quiet / private learning environment. All doors are fitted with vision panels in line with child protection guidelines. If there is no vision panel the door will be left open.

If a child needs one to one teaching, parents / guardians are informed as part of the school support plans process.

Substitute teachers are Garda vetted and can continue with one-to-one teaching as timetabled. Students on teaching practice are Garda vetted and may teach children on a one-to-one basis.

People on work experience should never be on a one-to-one setting with pupils in the school.

This Policy was adopted by the Board of Management on 19/1/22.
